Rovers make history

AT Clonakilty on Saturday night last, Valley Rovers senior footballers made history when they defeated the home side in the final of the Tadhg Crowley Cup to win the club's first senior trophy.

The final score was 0-13 to 1-6 and it was achieved without using any of their under-age players.

The club won county U21 A football titles in 2013 and 2015. The win also gave Valleys their first two points in the league for 2016.

The team captain was Noel O'Donovan who had his proud grandfather and club vice-president, Hughie O'Donovan, present to witness this historic victory. Well done to all concerned. Full report in Star Sport.

Fixture: On this Friday, February 5th, at 7.45pm in Togher, Valleys will play St Finbarr's in the senior football league (Kelleher Shield).

Table Quiz

Innishannon Tidy Towns will hold their annual table quiz at 8pm on Friday, February 19th, in Barretts Bar.

This is usually a hugely-enjoyable one with ace quizmaster Jim Kilduff covering a wide and varied range of subjects.

It is a major fundraiser for Tidy Towns plus an entertaining and sociable night, which enables them to plan their financial strategy for the forthcoming season. This is a big year for Innishannon Tidy Towns with the 'Gardens and Galleries' celebration taking place on the first weekend of July.

On that Saturday 2nd and Sunday, July 3rd, many gardens around the village will open to the public. A number of art exhibitions will also be on view, when the village will be in a celebratory mood and Innishannon will need to look its best. Support is very important for the fundraising table quiz.
